EP Curriculum Map

Navigating the EP Curriculum Map

EP Senior English lessons are designed to assist in the development of the core skills required for senior students in their final examinations.

The group of skills we have addressed include reading comprehension, creative and critical writing and textual understanding and analysis. Students should be supported by their teachers to contextualise these skills in their class assignments.

Below is an outline of our senior modules and the syllabus outcomes that they address, however, the lessons in each module can be used across the senior courses for other purposes.

Folder Name	Objectives Met
Essay Writing Guide	Syllabus Objective 6 Syllabus Objective 7 Syllabus Objective 8 Syllabus Objective 11
Language Skills Revision <ul style="list-style-type: none">Language ConventionsLanguage Features	Syllabus Objective 8 Syllabus Objective 10
