Geography

Lower Secondary

- Geography Concepts (16 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geography Skills (29 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills
- Physical Geography (42 lessons)
 - Introduction to Landforms and Landscapes
 - Coastal Landscapes
 - Rivers and Lakes
 - Rainforests
 - Mountains, Caves and Volcanoes
 - Glacial Landscapes
 - Arid Landscapes
 - Geomorphic Hazards
 - Spelling
 - Glossary
- Place and Liveability (34 lessons)
 - Liveability
 - Services and Facilities
 - Environmental Quality and Liveability
 - Social Connectedness
 - Enhancing Liveability
 - Spelling
 - Glossary
- Urban Living (15 lessons)
 - Urbanisation
 - Urban Concentration
 - International Migration
 - Spelling

- Glossary
- Water in the World (47 lessons)
 - Water as an Environmental Resource
 - Water and Places
 - Water Scarcity
 - The Value of Water
 - Water as a Hazard
 - Geography in Context
 - Spelling
 - Definition

Upper Secondary

- Environmental Change and Management (12 lessons)
 - The Human-Environment Relationship
 - Values and Worldviews
 - Spelling
 - Glossary
- Geographical Inquiry (4 lessons)
- Geography Concepts (16 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geography Skills (29 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills
- Human Wellbeing (16 lessons)
 - Conflicts
 - Measuring and Mapping Human Wellbeing
- Humans and the Environment (29 lessons)
 - Introduction to Biomes
 - Humans and Biomes
 - Crops and Yield
 - Challenges to Food Production
 - Sustainability and Food Security
 - Climate Change
 - Spelling
 - Glossary

- People and Place (27 lessons)
 - Space and Place
 - Tourism
 - Production and Consumption
 - People and Technologies
 - Spelling

History

Historical Skills

- Chronology, Terms and Concepts (10 lessons)
- Historical Questions and Research (12 lessons)
- Analysing and Use of Sources (16 lessons)
- Explanation and Communication (5 lessons)
- Perspectives and Interpretations (5 lessons)

Lower Secondary

- The Ancient World (39 lessons)
 - Ancient Egypt
 - Ancient Greece
 - Ancient India
 - Ancient Rome
 - Early Imperial China
 - Investigating the Ancient Past and Ancient Australia
 - Overview of the Ancient World
- Ancient to the Modern World (31 lessons)
 - Medieval Europe
 - Mongol Expansion
 - Ottoman Empire
 - Shogunate Japan
 - Vikings
- The Modern World (12 lessons)
 - Industrial Revolution
 - World War One

Grade 07

- Historical Skills (48 lessons)
 - Chronology, Terms and Concepts
 - Historical Questions and Research
 - Analysing and Use of Sources
 - Explanation and Communication
 - Perspectives and Interpretations
- Ancient Egypt (6 lessons)

- Ancient Greece (6 lessons)
- Ancient India (6 lessons)
- Ancient Rome (6 lessons)
- Early Imperial China (6 lessons)
- Investigating the Ancient Past and Ancient Australia (5 lessons)
- Overview of the Ancient World (4 lessons)

Grade 08

- Historical Skills (48 lessons)
 - Chronology, Terms and Concepts
 - Historical Questions and Research
 - Analysing and Use of Sources
 - Explanation and Communication
 - Perspectives and Interpretations
- Medieval Europe (6 lessons)
- Mongol Expansion (8 lessons)
- Ottoman Empire (6 lessons)
- Shogunate Japan (5 lessons)
- Vikings (6 lessons)

Grade 09

- Historical Skills (48 lessons)
 - Chronology, Terms and Concepts
 - Historical Questions and Research
 - Analysing and Use of Sources
 - Explanation and Communication
 - Perspectives and Interpretations
- Industrial Revolution (6 lessons)
- World War One (8 lessons)

Grade 10

- Historical Skills (48 lessons)
 - Chronology, Terms and Concepts
 - Historical Questions and Research
 - Analysing and Use of Sources
 - Explanation and Communication
- Overview - Modern World (3 lessons)
- The Environment Movement (8 lessons)
- World War Two (7 lessons)

Cambridge

Geography

Lower Secondary

- Geography Concepts (16 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geography Skills (29 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills

- Spelling
- Definition

History

Historical Skills

- Chronology, Terms and Concepts (10 lessons)
- Historical Questions and Research (12 lessons)
- Analysing and Use of Sources (16 lessons)
- Explanation and Communication (5 lessons)
- Perspectives and Interpretations (5 lessons)

IB Middle Years: Individuals and Societies

- The Ancient World (39 lessons)
 - Ancient Egypt
 - Ancient Greece
 - Ancient India
 - Ancient Rome
 - Early Imperial China
 - Investigating the Ancient Past and Ancient Australia
 - Overview of the Ancient World
- Ancient to the Modern World (31 lessons)
 - Medieval Europe
 - Mongol Expansion
 - Ottoman Empire
 - Shogunate Japan
 - Vikings
- The Modern World (12 lessons)
 - Industrial Revolution
 - World War One

Australian Curriculum

Geography

Year 07

- Water in the World (56 lessons)
 - Water as an Environmental Resource
 - Water and Places
 - Water Scarcity
 - Australia's Water Resources
 - The Value of Water
 - Water as a Hazard
 - Geography in Context
 - Spelling
 - Definitions
- Place and Liveability (38 lessons)
 - Liveability
 - Services and Facilities
 - Environmental Quality and Liveability
 - Social Connectedness
 - Enhancing Liveability
 - Spelling
 - Definitions
- Geographical Concepts (18 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geographical Skills (31 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills

Year 08

- Changing Nations (33 lessons)
 - Urbanisation
 - Urban Concentration
 - International Migration in Australia
 - Australia's Urban Future

- Internal Migration in Australia and China
- Geography in Context
- Spelling
- Definitions
- Landforms and Landscapes (46 lessons)
 - Introduction to Landforms and Landscapes
 - Coastal Landscapes
 - Rivers and Lakes
 - Rainforests
 - Mountains, Caves and Volcanoes
 - Glacial Landscapes
 - Arid Landscapes
 - Geomorphic Hazards
 - Geography in Context
 - Spelling
 - Definitions
- Geographical Concepts (18 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geographical Skills (31 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills

Year 09

- Biomes and Food Security (32 lessons)
 - Introduction to Biomes
 - Humans and Biomes
 - Crops and Yield
 - Challenges to Food Production
 - Sustainability and Food Production
 - Geography in Context
 - Spelling
 - Definitions
- Geographies of Interconnections (35 lessons)
 - People and Perceptions
 - Tourism: The Impact of People and Places

- Production and Consumption
- Trade in Goods and Services
- People and Technologies
- Geography in Context
- Spelling
- Definitions
- Geographical Concepts (18 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geographical Skills (31 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills

Year 10

- Geographies of Human Wellbeing (31 lessons)
 - Measuring and Mapping Human Wellbeing
 - Spatial Variations
 - Development of Places
 - Improving Human Wellbeing
 - Consequences of Spatial Variations
 - Consequences of Spatial Variations in Australia
 - Spelling
 - Definitions
- Environmental Change and Management (22 lessons)
 - The Human-Environment Relationship
 - Values and Worldviews
 - Custodial Responsibility and Environmental Management
 - Context for Study
 - Geography in Context
 - Spelling
 - Definitions
- Geographical Concepts (18 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection

- Geographical Concepts: Change
- Geographical Concepts: Environment
- Geographical Concepts: Sustainability
- Geographical Concepts: Scale
- Geographical Inquiry (4 lessons)
- Geographical Skills (31 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills

History

Historical Skills

- Chronology, Terms and Concepts (10 lessons)
- Historical Questions and Research (12 lessons)
- Analysing and Use of Sources (16 lessons)
- Explanation and Communication (5 lessons)
- Perspectives and Interpretations (5 lessons)

Year 07

- Ancient Egypt (6 lessons)
- Ancient Greece (6 lessons)
- Ancient India (6 lessons)
- Ancient Rome (6 lessons)
- Early Imperial China (6 lessons)
- Investigating the Ancient Past and Ancient Australia (5 lessons)
- Overview of the Ancient World (4 lessons)

Year 08

- Angkor/Khmer Empire, c.802-1431 (7 lessons)
- Medieval Europe (6 lessons)
- Mongol Expansion (8 lessons)
- Ottoman Empire (6 lessons)
- Overview - Ancient to the Modern World
 - Historical Outline (2 lessons)
 - Spread of Religion (1 lesson)
 - Society and Trade (2 lessons)
- Polynesian Expansion (5 lessons)
- Renaissance Italy (8 lessons)
- Shogunate Japan (5 lessons)
- The Black Death (5 lessons)
- The Spanish Conquest of the Americas (8 lessons)
- Vikings (6 lessons)

Year 09

- Overview - Making of the Modern World (5 lessons)
- Asia and the World (4 lessons)
- Ideas and Movements (6 lessons)
- Industrial Revolution (6 lessons)
- Making a Nation (9 lessons)
- Movement of Peoples (6 lessons)
- World War One (8 lessons)

Year 10

- Overview - Modern World and Australia (6 lessons)
- Migration Experiences (6 lessons)
- Popular Culture (7 lessons)
- Rights and Freedoms (9 lessons)
- The Environment Movement (9 lessons)
- World War Two (13 lessons)

New Zealand Curriculum

Social Sciences

Geography Current Events (14 lessons)

NCEA Level 1 (15 lessons)

- Geography
 - 1.4 Geographic Skills

NCEA Level 2 (15 lessons)

- Geography
 - 2.4 Geographic Skills

NZC Social Sciences Level 5

- Business, Enterprise, and Innovation (7 lessons)
- Cultural Interaction (18 lessons)
 - Cultural Friction
 - Australian Friction
 - Global Friction
 - Land Ownership and Relationships
 - Racial Beliefs and Communities
 - Treatment of Women
- Economic Decisions (26 lessons)
 - Achieving Objectives
 - Food-Export
 - Rights and Responsibilities
 - The Working World
 - What is Economics?
- Human Rights (21 lessons)
 - Contemporary World History
 - Introduction to Human Rights
 - Human Rights Violations
 - Refugees and War
 - Germany/Occupied Europe 1933-1945
 - USA 1950s to 1970s
 - World History in 20th Century
- Movement of Peoples (21 lessons)
 - People and Place
 - The Industrial Revolution
 - Tourism
- People in the Past (14 lessons)
 - Historical Significance

- Social Change
- Resources and Sustainability (40 lessons)
 - Conservation and Resource Sustainability
 - Environmental Sustainability
 - People and Environment
 - Resource Degradation and Depletion
 - Resource Management
- Systems of Government (7 lessons)
 - Ancient Greece
 - Medieval England
 - Roman Republic and Empire
- The Treaty of Waitangi (6 lessons)

Senior Psychology

- Emotion and Motivation (5 lessons)
- Human Consciousness and Sleep (3 lessons)
- Intelligence (1 lesson)
- Social Psychology (4 lessons)
- The Role of the Brain (2 lessons)

Social Sciences Skills

- Geography Concepts (17 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geography Skills (31 lessons)
- Historical Skills
 - Chronology, Terms and Concepts (10 lessons)
 - Historical Questions and Research (12 lessons)
 - Analysing and Use of Sources (16 lessons)
 - Explanation and Communication (5 lessons)
 - Perspectives and Interpretations (5 lessons)

Supplementary Resources

- Geography
 - Water in the World (56 lessons)
 - Water as an Environmental Resource
 - Water and Places
 - Water Scarcity

- Australia's Water Resources
 - The Value of Water
 - Water as a Hazard
 - Geography in Context
 - Definitions
- Place and Liveability (38 lessons)
 - Liveability
 - Services and Facilities
 - Environmental Quality and Liveability
 - Social Connectedness
 - Enhancing Liveability
 - Definitions
- Changing Nations (33 lessons)
 - Urbanisation
 - Urban Concentration
 - International Migration in Australia
 - Australia's Urban Future
 - Internal Migration in Australia and China
 - Geography in Context
 - Definitions
- Landforms and Landscapes (46 lessons)
 - Introduction to Landforms and Landscapes
 - Coastal Landscapes
 - Rivers and Lakes
 - Rainforests
 - Mountains, Caves and Volcanoes
 - Glacial Landscapes
 - Arid Landscapes
 - Geomorphic Hazards
 - Geography in Context
 - Definitions
- Biomes and Food Security (32 lessons)
 - Introduction to Biomes
 - Humans and Biomes
 - Crops and Yield
 - Challenges to Food Production
 - Sustainability and Food Production
 - Geography in Context
 - Definitions
- Geographies of Interconnections (35 lessons)
 - People and Perceptions
 - Tourism: The Impact of People and Places
 - Production and Consumption
 - Trade in Goods and Services

- People and Technologies
 - Geography in Context
 - Definitions
- Geographies of Human Wellbeing (31 lessons)
 - Measuring and Mapping Human Wellbeing
 - Spatial Variations
 - Development of Places
 - Improving Human Wellbeing
 - Consequences of Spatial Variations
 - Consequences of Spatial Variations in Australia
 - Definitions
- Environmental Change and Management (22 lessons)
 - The Human-Environment Relationship
 - Values and Worldviews
 - Custodial Responsibility and Environmental Management
 - Context for Study
 - Geography in Context
 - Definitions
- History
 - History Quiz Bank (36 lessons)
 - Year 07
 - Ancient Egypt (6 lessons)
 - Ancient Greece (6 lessons)
 - Ancient India (6 lessons)
 - Ancient Rome (6 lessons)
 - Early Imperial China (6 lessons)
 - Investigating the Ancient Past and Ancient Australia (5 lessons)
 - Overview of the Ancient World (4 lessons)
 - Year 08
 - Angkor/Khmer Empire, c.802-1431 (7 lessons)
 - Medieval Europe (6 lessons)
 - Mongol Expansion (8 lessons)
 - Ottoman Empire (6 lessons)
 - Overview - Ancient to the Modern World
 - Historical Outline (2 lessons)
 - Spread of Religion (1 lesson)
 - Society and Trade (2 lessons)
 - Polynesian Expansion (5 lessons)
 - Renaissance Italy (8 lessons)
 - Shogunate Japan (5 lessons)
 - The Black Death (5 lessons)
 - The Spanish Conquest of the Americas (8 lessons)

- Vikings (6 lessons)
- Year 09
 - Overview - Making of the Modern World (5 lessons)
 - Asia and the World (4 lessons)
 - Ideas and Movements (6 lessons)
 - Industrial Revolution (6 lessons)
 - Making a Nation (9 lessons)
 - Movement of Peoples (6 lessons)
 - World War One (8 lessons)
- Year 10
 - Overview - Modern World and Australia (6 lessons)
 - Migration Experiences (6 lessons)
 - Popular Culture (7 lessons)
 - Rights and Freedoms (9 lessons)
 - The Environment Movement (9 lessons)
 - World War Two (13 lessons)
- This Month in History (8 lessons)

NSW

Geography

Stage 4 NSW

- Geographical Concepts (18 lessons)
 - An Introduction to Geography
 - Geographical Concepts: Space
 - Geographical Concepts: Place
 - Geographical Concepts: Interconnection
 - Geographical Concepts: Change
 - Geographical Concepts: Environment
 - Geographical Concepts: Sustainability
 - Geographical Concepts: Scale
- Geographical Skills (31 lessons)
 - Cartographic Skills
 - Graphical Skills
 - Numerical and Statistical Skills
- Water in the World (56 lessons)
 - Water as an Environmental Resource
 - Water and Places
 - Water Scarcity
 - Australia's Water Resources
 - The Value of Water
 - Water as a Hazard
 - Geography in Context
 - Spelling
