About

For over 40 years, Kellett School has been known for its first class education, both in the classroom and beyond. Kellett is a Not-For-Profit organisation with a parent-led Board of Governors as well as highly skilled teaching and support staff. Kellett has over 1,400 students from over thirty different countries. Kellett School follows the Early Years Foundation Stage and English National Curriculum, which includes GCSEs, IGCSEs and A-levels with minor adaptations to fit our local context.

Kellett School has been accredited by the following institutions: HMC, IAPS, Assessment and Qualifications Alliance, Cambridge Assessment International Education, Pearson Edexcel, and Federation of British International Schools in Asia.

Our online learning journey

Kellett School has been using EP Languages since July 2020.

Kellett School actively engages in many of the EP Online International Competitions.

Why Education Perfect (EP)

EP helps students with their language learning, specifically learning second language vocabulary through the comprehensive reading, writing, listening and speaking functions.

The ability to customise and adapt the pre-built content allows the teachers to ensure the lessons set for the students are specific to the individual needs and skill level. The ability to cater to individual student needs is essential to providing a first class international education.

“A great resource for vocabulary learning; the students enjoy seeing their progress and I can easily check their understanding. I especially like how the assessment tool generates further personalised tasks for the students, based on their incorrect responses.”

Lisa Mangles

German and French Teacher
Kellett School, Hong Kong

Impact

- The Language lessons in EP are very useful for improving vocabulary.
- Teachers are able to create and customise language lessons to cater for individual student needs.
- The customisable pre-built content saved our teachers time when creating and planning lessons.
- Our students are self-motivated to compete and engage in the Online Competitions.
