71% of surveyed parents agree that Education Perfect (EP) has resulted in improved learning outcomes for my child(ren)

What do you like the most about Education Perfect?

easy to access easy to use

"I think Education Perfect is a fantastic learning tool for children. My son loves using it and is very engaged"

insights for parents

"That I get the results and that my child can then focus on the areas she struggles"

quite a few parents said they did not know about EP before this email

"My son uses it at school. I have not seen it."

reminders for parents

"Getting reminder emails about what's coming up for the children"

"I appreciate getting the daily notifications about due homework as often the kids tell me they don't have any. It's great that the approx time to complete homework is there and % of completion. Thanks"

great content & interactive teaching

"There is a wide variation of subjects that you can practise, and it's helpful"

"The way it explains things and how it quizzes you on what you have just learnt so it sets in your brain."

"I have no idea how to use it and not all of my children use it I only get an occasional email for one of my children and once in a blue moon for the other child but none for my 3rd child so it is very confusing"

What improvements would you like to see made to Education Perfect?

it would be good to get more info on child's progress, tasks, etc

"Option for parents to monitor the progress of their children in completing the allocated task including mandatory and non mandatory"

"Better explain at what stage the child is at completing a task"

"Can't remember if this is already a feature but the ability to log in as a parent and view what needs to be done and what has been done, and/or a weekly report summarising the weeks work would be great"

"Periodic feedback during term on subject taught, so that parent can contribute together with teacher if there are areas to be addressed on child's progress on the subject."

"Results to parents and students. Maybe a progress chart?"

"I'd like to see all classes in the report (even those that didn't have work set) so I am regularly seeing a record of all work. I would like to see if it is complete or not - so I can chase up any incomplete work."

"More links for parents to follow"

more communication from EP for parents

"Communication with parents"

"I have no idea how to use it and not all of my children use it I only get an occasional email for one of my children and once in a blue moon for the other child but none for my 3rd child so it is very confusing"

"More regular reminders to students regarding assigned tasks and due dates"

better support of children with learning disabilities

"There needs to be scope for supporting students with Learning Disabilities. I am not sure if this is an EP issue or a school issue"

"Cater to kids with learning needs. ADHD, ASD, Anxiety. The current format triggers my son"

"Larger fonts"

"Not good for a kid with learning difficulties"

usability on mobile devices

"Not a great tool for use on an ipad"

make the content more engaging
