## Level: Intermediate

🕒 **Approx. 10-15 mins per section:** (E.g. 'Know your students in depth' is a section).

Designed to be accessible for staff ready to expand their EP skill from the beginner/more essential tools.

| Options                                      | Description   | Subscription  |
|--|---|---|
| <b>Know Your Students in Depth</b>           | Run pre- and post-tests linked to your units to establish a clear baseline and compare the results of any two assessments to measure progress.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Analyse Growth and Gaps in Reports</b>    | Look beyond single results: compare classes, track progress over time, and use EP's 'Insights' area to target next steps.   | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Use Assessments Effectively</b>           | Assign different types of assessments in EP (quick quizzes in lessons, pre-made assessments, or AI activities), and tap into rich, ready-to-use data for both formative and summative purposes.   | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Using Quizzes</b>                         | Quizzes draw from existing EP content and provide a quick way to check understanding before, during, or after lessons. They help you see where students are at and guide your next steps in teaching. Quizzes are automatically marked. | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Aligning Departmental Resources</b>       | Set up and share your scope and sequence in EP to ensure consistency across classes.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Competitions</b>                          | Engage and motivate students by using EP competitions effectively.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Using EP Create</b>                       | Quickly build curriculum-aligned activities in the moment with EP Create, supported by AI. Create and assign content that helps students practise, apply, and extend their learning.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Peer Review</b>                           | Use EP's Peer Review tool to enable students the opportunity to provide constructive, anonymous feedback on their peer's written work.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>EP for Lower or Higher Level Learners</b> | Support different ability levels by applying EP tips and features for students who need extra help or additional challenge.   | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |

## Level: Advanced

🕒 **Approx. 20 mins per section:** (E.g. 'Know your students with custom pre and post tests' is a section)

These build from the topics we cover in the Starter and Intermediate sessions and can form the basis for your own focused training session. Each section helps to unlock more of what is possible through the platform.

| Options   | Description  | Subscription  |
|---|--|---|
| <b>Know Your Students with Custom Pre- and Post-Tests</b> | Design and run your own pre and post tests in EP to establish baselines and identify individual student starting points  | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Show Growth and Gaps</b>                               | Compare results over time to measure progress, highlight areas for improvement, and guide targeted revision.   | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Departmental and Whole-School Reports</b>              | Run reports to see growth at multiple levels, whole-school, year group, class, or individual.  | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>AI-Powered Feedback - Custom Building</b>              | Create and adapt extended response questions and use EP's AI feedback to align with curriculum goals and track growth within written tasks.  | <input type="checkbox"/> Starter <input type="checkbox"/> Core <input checked="" type="checkbox"/> Plus |
| <b>Create Custom Assessments</b>                          | Use EP Studio, EP's content creation tool, to build diagnostic, formative, and summative assessments from scratch, or from your existing material, which capture student growth over time. | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Create Custom Lessons and Lists</b>                    | Build and assign spelling, vocabulary and fact lists, or lessons tailored to class topics, units, or student needs, and use them to reinforce growth.                                      | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Personalised Learning</b>                              | Allocate and/or create differentiated work instantly, supporting students who need additional challenge or further help to make progress.  | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Apply Pedagogical Approaches</b>                       | Use EP to support advanced teaching methods such as flipped learning, project-based learning, or problem-based learning, all while keeping student growth visible.                         | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |
| <b>Embed Your Own Content</b>                             | Add your own documents and resources into EP lessons and assessments, enriching how student progress is measured and supported.  | <input type="checkbox"/> Starter <input checked="" type="checkbox"/> Core <input type="checkbox"/> Plus |

\*Please note: Starter, Core and Plus are different subscription tiers, with the key differentiators being the AI features.

## Subscription tiers

### Starter

The Starter Tier does not include AI functionality.

### Core

The Core Tier now offers entry-level AI features across English, Languages, Humanities, and Sciences, with Mathematics to be added in early 2026. This ensures equitable access to AI, allowing all EP schools to experience some of the benefits of AI-driven feedback.

### Plus

The Plus Tier represents the next level of transformation, where AI evolves from a one-off support tool into a continuous, measurable learning journey. Through the Learning Loop and enhanced teacher insights, Plus unlocks deeper, sustained impact in teaching and learning.
